This International Aircraft Lease Agreement Termination Agreement dated as of March 7th, 2025 (hereinafter the "Termination Agreement") is entered into between Wells Fargo Trust Company, National Association, not in its individual capacity but solely as Owner Trustee, as lessor (the "Lessor") and Aero Transporte de Carga Unión S.A. de C.V. as lessee (the "Lessee").

Whereas, the Lessor is the owner of certain Boeing B767-200SF aircraft identified with manufacturer's serial number 23804 and Mexican registration mark XA-EFR equipped with two General Electric CF6-80CB2 engines identified with engine serial numbers 695135 and 690311, (hereinafter the "Aircraft");

Whereas, the Lessor and the Lessee are parties to a certain International Aircraft Lease Agreement dated as of March 21, 2014 with respect to the Aircraft (hereinafter the "Lease Agreement"). The Lease Agreement has a remaining Term of 13 months.

Whereas the Lessor and the Lessee have agreed and decided to early terminate the leasing of the Aircraft taking into account (i) the rising and expensive maintenance and overhaul costs the Aircraft has; (ii) the industry limitation and high cost for the procurement of parts and components to support such aircraft type; (iii) the Lessors and market interest in selling and buying the Aircraft and (iv) the Lessee's ongoing plan to renew and update its aircraft fleet.

Whereas the Lessor and the Lessee hereby agree to early terminate the leasing of the Aircraft, return the Aircraft to Lessor and further terminate the Lease Agreement on the following terms and conditions.

Capitalized terms not defined herein shall have the meaning agreed in the Lease Agreement.

Lessor and Lessee can individually be identified as a "Party" and collectively as the "Parties"

1. Lease termination

Lessor and Lessee agree that the leasing of the Aircraft from Lessor to Lessee will terminate in March 14th 2025. Further to Lessee's obligation to return the Aircraft to Lessor as agreed in this Termination Agreement, the Lease Agreement will terminate.

2. Rent

Both Parties agree that, given the grounding of the aircraft on May 11th, 2024, Lessee shall pay all outstanding Rent payments to Lessor as per the terms of the Lease Agreement until May 11th, 2024 inclusive.

Lessee confirms that it paid the Lessor the amount of three million three hundred sixty-nine thousand four hundred seventy-four dollars and forty cents (USD$ 3,369,474.40) dollars with respect to the Rent owed

and accrued up to May 11, 2024. Parties further acknowledge that this amount was paid to Lessor in immediately available funds during January 2025.

3. Aircraft Return to Lessor

Both parties acknowledge that the Aircraft was redelivered to Lessor on May 11th, 2024, at Aeropuerto Internacional Felipe Ángeles, Ciudad de México, Mexico, as per Lessor's request.

Lessor accepted the redelivery of the Aircraft and Lessee further agrees to pay on behalf of Lessor up to Three Hundred Four Thousand Three dollars (USD $304,003.oo) for all the out-of-pocket expenses related with the maintenance, parking and preservation of such Aircraft since the redelivery date and until the sale of the Aircraft in the market. For the sake of clarity, such properly documented and verifiable expenses, actually paid in full by Lessee on behalf of Lessor shall be reimbursed in full up to the maximum amount described herein, provided that they do not exceed the specified cap.

4. Lessee's Compensation

Parties agree and confirm hereby that as compensation for the early termination of the Aircraft Lease Agreement as well as compensation for the return and redelivery obligations and condition detailed in the Lease Agreement, the Lessee shall pay the Lessor the amount of Five Million Three Hundred Ninety Thousand One Hundred Four (USD$ 5,390,104.oo) dollars or such other amount as further confirmed by Lessee and accepted by Lessor. The Lessee confirms that this amount will be paid no later than December 30th, 2025.
