Terms and Conditions

These general terms and conditions (the "**Terms & Conditions**") shall govern and form an integral part of all agreements entered into and for all orders placed by a customer (each a "**Buyer**") for the purchase of parts (the "**Parts**") from Altus Global Aviation, LLC (the "**Seller**"). Each such agreement, purchase order, or invoice for the sale and purchase of Parts between Buyer and Seller shall be referred to herein as the "**Invoice**".

- Payment.** Buyer acknowledges and agrees that the title to all Parts listed or included in the Invoice shall be retained by Seller until full payment for such Parts as set forth in the Invoice has been received by Seller in its designated account. All payments shall be made in United States dollars (\$). All payments shall be made in full prior to the delivery of the Parts to Buyer, except where Seller has authorized credit terms for payment or other payment arrangements, of which, such conditions will be listed on the Invoice. In the event of Buyer's insolvency, the Invoice together with these Terms & Conditions shall constitute a demand by Seller for the reclamation of the Parts in accordance with Section 2-702 of the Uniform Commercial Code and Section 546(c)(1) of the United States Bankruptcy Code. In the event of Buyer's insolvency, Buyer shall agree that Seller has a purchase money security interest in all Parts which are still in Buyer's inventory and shall promptly return possession of the Parts to Seller.
- Purchase on Credit.** If Buyer purchases the Parts on credit or the Parts are delivered to Buyer without immediate cash payment, then this provision shall apply. In the event of Buyer's insolvency, the Invoice together with these Terms & Conditions shall constitute a demand by Seller for reclamation of the Parts in accordance with Section 2-702 of the Uniform Commercial Code and Section 546(c)(1) of the United States Bankruptcy Code. Further, Buyer agrees that Seller has a perfected purchase money security interest in the inventory in Buyer's possession at all times until all Invoices have been paid. In the event of Buyer's insolvency, Buyer hereby waives any defenses to Seller's right to reclaim and/or repossess the Parts, and Buyer shall immediately return the Parts to Seller.

3. Late Fees. In the event that Buyer fails to make timely payment for Parts, Buyer shall be responsible for all costs of collection, including all reasonable attorneys' fees and costs spent by Seller in its collection efforts. A late fee of 1.5% per month or 18% per year or the maximum allowable service charge under Illinois law shall be applied to all past due Buyer accounts.
4. Termination. If at any time before an order is completely fulfilled by Seller (including before delivery is pending), Buyer becomes insolvent or performs or permits any act of bankruptcy, liquidation, reorganization or if a receiver, trustee, or custodian is appointed for Buyer or a substantial part of Buyer's property, the pending order and/or delivery of the order shall be automatically deemed terminated and cancelled and Seller is authorized to take any steps necessary to stop delivery of such order.
5. Delivery. All Parts are sold by Seller to Buyer to be shipped to Buyer or to a "drop shipment" location designated on the Invoice. In the event any items are shipped to a "drop shipment" location designated by Buyer on the Invoice, Buyer will agree to complete any form required by Seller indicating that Buyer is the recipient and beneficiary of the Parts. THE PARTS ARE BEING SOLD IN AN "AS-IS" CONDITION, WITHOUT WARRANTY OF ANY KIND, WHETHER WRITTEN, ORAL, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
6. Taxes. Buyer shall be responsible for, and agrees to indemnify Seller against, the payment of any and all taxes, fees or duties of any kind whatsoever, as well as any penalties, interest and attorney's fees relating thereto, imposed by any jurisdiction as a result of: (i) buyer's ownership or usage of Parts, or (ii) the sale and the delivery of Parts, except to the extent that such taxes, fees, duties, penalties, interest and attorney's fees relate to any income or capital Seller may realize on the sale of the Parts to Buyer.
7. Export. Buyer understands that the Parts to be purchased by it pursuant to the Invoice and these Terms & Conditions are subject to export controls under the laws of the United States. Buyer agrees, warrants, and represents that it will not export nor re-export the Parts on the Invoice and subject to these Terms & Conditions in violation of the export laws of the United States.
8. Return of Parts. Any Parts purchased by Buyer from Seller may be returned for full credit within 90 days from the date of purchase of the Parts as set forth on the Invoice, subject to the following conditions: (a) the Parts are in the same condition as when purchased; (b) the Parts are returned with a copy of the Invoice for the purchase of the Parts along with any original documents and warranty papers that may have accompanied the Parts; (c) the Parts pass an incoming inspection; and (d) the Parts are approved for return by Seller's management as determined in management's sole discretion on a case-by-case basis.
9. LIMITATION OF LIABILITY. SELLER'S LIABILITY ON ANY CLAIM OF ANY KIND, INCLUDING NEGLIGENCE, FOR ANY LOSS (INCLUDING DEATH) OR DAMAGE ARISING OUT OF OR CONNECTED WITH, OR RESULTING FROM THE INVOICE OR THESE TERMS & CONDITIONS SHALL IN NO CASE EXCEED THE PRICE ALLOCABLE TO THE PARTS WHICH GIVES RISE TO THE CLAIM. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES.
10. Indemnification. Buyer shall assume all loss and liability of any nature whatsoever arising out of the use, possession, or resale of the Parts, and agrees to indemnify, protect, defend and save harmless Seller, its affiliates and their respective officers, directors, employees, and agents (the "**Indemnitees**") with respect to any claim, suit, action, or judgment of any kind arising out of such use, possession, or resale of the Parts, regardless of whether caused by the negligent acts or omissions of any of the Indemnitees.
11. Broker/Finders Fees. Seller and Buyer each indemnifies the other party from liability for fees, commissions or other claims made upon the other by third party brokers or finders when such claims were caused by the indemnifying party.
12. Assignment. Buyer may not assign, in whole or part, this order without prior written consent of Seller.
13. Force Majeure. Seller shall not be liable for any delays or failures in performance resulting from acts beyond its reasonable control including, without limitation, acts of God, acts of war or terrorism, acts or omissions of government authorities, court order, adverse weather conditions, pandemics, labor disturbances, shortage of supply, interruptions or malfunction of facilities technical data, or power failure (each a "**Force Majeure Event**"). Seller will give timely notice to Buyer of such Force Majeure Event and will endeavor to resume performance with minimum delay. The time for delivery will be extended accordingly.
14. Governing Law. The Invoice and these Terms & Conditions shall be governed by and construed in accordance with the laws of the State of Illinois. Buyer hereby waives a) the right to a jury trial in any and all proceedings; b) any and all objections to venue and inconvenient forum in the state and federal courts referred to in this section; and c) any and all objections to service of process by certified mail, return receipt requested.
